Mineworkers Provident Fund's failure to obtain receipt of the undertaking referred to in this sub-clause 27.7 shall in no way detract from the Supplier's obligations in terms of these Terms and Conditions.

- 27.8 The Parties record that this clause 27 shall not be applicable where the Supplier discloses Confidential Information to attorneys or auditors, provided that such disclosure is reasonably required by the Supplier for the purposes of conducting its business activities.
- 27.9 Nothing contained in these Terms and Conditions will restrict either Party from the use of any generic ideas, concepts, know-how, or techniques developed or learned by such Party in the course of performing any Services under these Terms and Conditions, provided that in doing so such Party does not disclose Mineworkers Provident Fund Confidential Information to third parties or infringe the Intellectual Property rights of the other Party or third parties who have licensed or provided materials to the other Party.

28 TERMINATION

- 28.1 If the Supplier commits a breach of a Contract Document and fails to remedy such breach within 14 (fourteen) days of notice or such period as determined by the conditions of contract thereof from the other, Mineworkers Provident Fund shall be entitled, in addition to any other rights and remedies that it may have in terms of these Terms and Conditions or otherwise, to terminate these Terms and Conditions and/or any or all Transaction Documents without prejudice to any claims which Mineworkers Provident Fund may have for damages against the other upon written notice to the other, it being recorded that the withholding of disputed charges in terms of sub-clause 32.4 shall not constitute a breach of these Terms and Conditions.
- 28.2 If (i) a Causal Event occurs in respect of the Supplier or (ii) the Supplier fails to adhere to any legal requirement or breaches any term or condition of any licence, authorisation or consent required for the provision of the Services and which failure or breach Mineworkers Provident Fund, in its sole discretion, considers to be detrimental to Mineworkers Provident Fund for sound business reasons; then Mineworkers Provident Fund shall be entitled, but not obliged, to terminate these Terms and Conditions and/or any or all Transaction Documents on written notice to the Supplier, in which event such termination shall be without any liability and without prejudice to any claims which Mineworkers Provident Fund may have for damages against the Supplier.
- 28.3 Should the Supplier fail to fulfill any of its BEE obligations contemplated in Clause 22 above and set out in Annexure "B" of the Acceptance Agreement, or it is established that the Supplier has misrepresented issues in its tender submissions, or dissolves whatever arrangement is already in place, Mineworkers Provident Fund shall have the right to terminate these Terms and Conditions and/or any or all Transaction Documents on written notice to the Supplier, in which event such termination shall be without any liability and without prejudice to any claims which Mineworkers Provident Fund may have for damages against the Supplier. In the event of such termination, Mineworkers Provident Fund shall be entitled to re-tender the Service or appoint the tenderer with the next highest number of points in the tender evaluation.
- 28.4 For the avoidance of doubt, all Transaction Documents will terminate as of the Effective Date of any termination of these Terms and Conditions.

29 TERMINATION FOR CONVENIENCE

Mineworkers Provident Fund may terminate these Terms and Conditions or any Transaction Document(s) in whole or in part for convenience and without cause at any time by giving the Supplier at least 30 (thirty) days prior notice designating the termination date. Mineworkers Provident Fund shall have no liability to the Supplier with respect to such termination. If a purported termination by Mineworkers Provident Fund under sub-clause 28.1 is determined by a competent authority not to be a proper termination under the applicable clause, then such termination by Mineworkers Provident Fund shall be deemed to be a termination for convenience

under this clause 29.

30 TERMINATION/EXPIRATION ASSISTANCE

- 30.1 At expiration or termination of these Terms and Conditions and/or any or all Transaction Documents, the Supplier shall, at the request of Mineworkers Provident Fund, make itself available to provide Termination/Expiration Assistance. The Termination/Expiration Assistance to be provided by the Supplier in the case of termination or expiration of a Transaction Document will include the Termination/Expiration Assistance described in such Transaction Document.
- 30.2 If these Terms and Conditions or any Transaction Document(s) or part thereof expires, or if these Terms and Conditions or any Transaction Document(s) or part thereof is terminated other than pursuant to clause 29, Termination/Expiration Assistance will be provided at no additional cost to Mineworkers Provident Fund. If the agreement or any Transaction Document(s) is terminated by Mineworkers Provident Fund in terms of clause 29 and Mineworkers Provident Fund elects to have the Supplier provide Termination/Expiration Assistance, the Supplier shall be entitled to charge for such assistance. In the event that the Supplier is entitled to charge for such Termination/Expiration Assistance in terms of this sub-clause 30.2, the Supplier shall charge on a time and materials basis at hourly rates as agreed between the Parties.

31 LIMITATION OF LIABILITY

Notwithstanding anything to the contrary set forth in these Terms and Conditions, the Parties agree that they shall be liable to the other for any Losses which are regarded in law as direct damages but excluding indirect, incidental and/or consequential damages arising from the Losses.

32 MEDIATION AND ARBITRATION

- 32.1 Either Party may request that any dispute or difference arising out of these Terms and Conditions or any Transaction Document be referred by the Parties, without legal representation, to mediation by a single mediator. If the Parties agree to mediation then the mediator shall be selected by agreement between the Parties or, failing such agreement the mediator shall be nominated by a mutually respected neutral Party. The written opinion expressed by the mediator shall be accepted by both Parties hereto unless and until otherwise ordered in arbitration proceedings referred to hereunder. The mediator shall formulate his costs in respect of the mediation and these shall be borne equally by the Parties hereto.
- 32.2 If either Party is dissatisfied or unwilling to accept mediation or an opinion expressed by the mediator then that Party may, by written notice served upon the other, within 1 (one) calendar month of the date of declaring a dispute or of the mediator's decision, require that the dispute or difference arising out of these Terms and Conditions or any Transaction Document shall be referred to arbitration by a single arbitrator to be mutually agreed upon or, failing agreement, to two arbitrators, one appointed by Mineworkers Provident Fund and one by the Supplier. In all respects the arbitration shall be in accordance with the provisions of the Arbitration Act of 1965 which makes the decision of the arbitrator(s) final and binding on the Parties hereto and the arbitration shall be conducted in accordance with the rules for the Conduct of Arbitrations published by the Association of Arbitrators and current at the date the Arbitrator is appointed or nominated.
- 32.3 Performance under these Terms and Conditions and under all Transaction Documents shall continue during mediation/arbitration proceedings unless Mineworkers Provident Fund shall order the suspension thereof, and if any such suspension shall be ordered, the reasonable expenses of the Supplier occasioned by such suspension shall be at Mineworkers Provident Fund's cost.

32.4 To the extent that any dispute referred to determination in terms of this clause 32 involves the withholding of payment of any amount otherwise due in terms of the Contract Documents by either Party, the withholding Party shall deposit the amount of the withheld payment into escrow and, if any part of the withheld amount is found properly due to the other Party, any capital award plus interest accruing in escrow in the same ratio as the capital award, shall be paid to that Party.

33 NOTICES AND DOMICILIUM

33.1 The Parties hereto select as their respective *domicilia citandi et executandi* the addresses appearing in the Acceptance Agreement or such other address or facsimile number as may be substituted by notice given as herein required.

33.2 All notices, requests, demands, and determinations under these Terms and Conditions (other than routine operational communications), shall be valid and effective only if in writing and if delivered by hand, mail or facsimile. In this regard, a notice, request, demand and determination under these Terms and Conditions (i) delivered by hand shall be deemed duly given when delivered by hand during ordinary business hours as evidenced by a receipt declaration by a member of the addressee's Staff or a delivery declaration by a person authorised to deliver the notice, request, demand and determination by the addresser; or (ii) delivered by mail shall be deemed duly given when mailed in a properly addressed envelope to a responsible person at the addressee's domicilium by registered mail, which delivery shall be evidenced by the registered mail receipt; and (iii) delivered by facsimile shall be deemed duly given when delivered to the facsimile number set forth in the Acceptance Agreement, which delivery shall be evidenced by sender's facsimile confirmation sheet. For the avoidance of doubt, notice shall be deemed to have been given upon receipt of such delivery confirmation whether or not such notice has actually been read. Notices, requests, demands and determinations sent by facsimile and received prior to 13h00 (thirteen hours) on a business day shall be deemed duly given on such business day; notices, requests, demands and determinations sent by facsimile and received at other times shall be deemed duly given on the first business day following the date that such facsimile is sent. A notice, request, demand and determination sent by mail shall be deemed to have been received 5 (five) days after posting if addressed within the Republic of South Africa to an address within the Republic of South Africa and 10 (days) after posting in all other instances.

34 FORCE MAJEURE

34.1 No Party shall be liable for any default or delay in the performance of its obligations under these Terms and Conditions if and to the extent (i) such default or delay is caused, directly or indirectly, by: fire, flood, earthquake, elements of nature or acts of God, riots, civil disorders, rebellions or revolutions in any country or any other cause beyond the reasonable control of such Party; and (ii) the non-performing Party is without fault in causing such default or delay, and (iii) such default or delay could not have been prevented by reasonable precautions, and (iv) such default or delay cannot reasonably be circumvented by the non-performing Party through the use of alternate sources, workaround plans or other means.

34.2 If any event under sub-clause 34.1 substantially prevents, hinders, or delays performance of the Services necessary for the performance of Mineworkers Provident Fund functions reasonably identified by Mineworkers Provident Fund as critical for more than three (3) consecutive days, then at Mineworkers Provident Fund's option: (i) Mineworkers Provident Fund may terminate any portion of these Terms and Conditions so affected without liability and the charges payable under these Terms and Conditions shall be equitably adjusted to reflect those terminated Services; or (ii) Mineworkers Provident Fund may terminate these Terms and

Conditions without liability to Mineworkers Provident Fund or the Supplier as of a date specified by Mineworkers Provident Fund in a written notice of termination to the Supplier. The Supplier shall not have the right to any additional payments from Mineworkers Provident Fund for costs or expenses incurred by the Supplier as a result of any force majeure occurrence.

35 GENERAL

- 35.1 The Contract Documents shall be binding on the Parties hereto and their respective successors and assigns. Neither Party shall be entitled to assign or otherwise transfer the benefit or burden of all or any part of these Terms and Conditions without the prior written consent of the other Party except that Mineworkers Provident Fund may assign its rights and obligations under any or all Contract Documents without the approval of the Supplier to an entity which acquires all or substantially all of the assets of Mineworkers Provident Fund; provided that in no event shall such assignment relieve Mineworkers Provident Fund of its obligations under these Terms and Conditions.
- 35.2 The Supplier may not delegate or sub-contract its obligations under these Terms and Conditions without the prior approval of Mineworkers Provident Fund. Subject to the Supplier binding itself to Mineworkers Provident Fund as surety for and co-principal debtor with any person to whom the Supplier intends delegating or sub-contracting its obligations under these Terms and Conditions, Mineworkers Provident Fund shall not unreasonably withhold its approval of such delegation or sub-contracting, as the case may be. The Supplier shall be Mineworkers Provident Fund's sole point of contact regarding the Services, including with respect to payment.
- 35.3 The Supplier shall include in its contracts with its sub-contractors as flow down provisions, provisions substantially similar to clauses 17 and 22.
- 35.4 Should any of the terms and conditions of these Terms and Conditions be held to be invalid, unlawful or unenforceable, such terms and conditions shall be severable from the remaining terms and conditions which shall continue to be valid and enforceable. If any term or condition held to be invalid is capable of amendment to render it valid, the Parties agree to negotiate an amendment to remove the invalidity.
- 35.5 No change, waiver or discharge of the terms and conditions of these Terms and Conditions shall be valid unless in writing and signed by an authorised representative of the Party against which such change, waiver or discharge is sought to be enforced, and any such change, waiver or discharge will be effective only in the specific instance and for the purpose given. No failure or delay on the part of either Party hereto in exercising any right, power or privilege under these Terms and Conditions will operate as a waiver thereof, nor will any single or partial exercise of any right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege.
- 35.6 Except where expressly provided as being in the sole discretion of a Party, where agreement, approval, acceptance, consent, or similar action by either Party is required under these Terms and Conditions, such action shall not be unreasonably delayed or withheld. An approval, acceptance, consent or similar action by a Party (including of a plan or deliverable) under these Terms and Conditions shall not relieve the other Party from responsibility for complying with the requirements of these Terms and Conditions, nor shall it be construed as a waiver of any rights under these Terms and Conditions, except as and to the extent otherwise expressly provided in such approval or consent.

- 35.7 The Parties agree that these Terms and Conditions and any Contract Document concluded in terms hereof shall not be valid unless signed by 1 (one) authorised signatory of Mineworkers Provident Fund. Mineworkers Provident Fund's company secretary shall upon request furnish the Supplier with such documentation as may reasonably be required by The Supplier to establish the authority of the authorised Mineworkers Provident Fund signatory.
- 35.8 The Contract Documents will be governed by and construed in accordance with the law of the Republic of South Africa and all disputes, actions and other matters relating thereto will be determined in accordance with such law.
- 35.9 The Contract Documents constitute the whole of the agreement between the Parties relating to the subject matter hereof and save as otherwise provided herein no amendment, alteration, addition, variation or consensual cancellation will be of any force or effect unless reduced to writing and signed by the Parties hereto or their duly authorised representatives.
- 35.10 The Parties agree that there are no other collateral terms or conditions to these Terms and Conditions, whether oral or written.
- 35.11 Except as provided in sub-clause 4.5, in the event of a conflict between the documents comprising these Terms and Conditions, such conflict shall be resolved in accordance with the order of precedence (in descending order of priority) as follows: (i) these Terms and Conditions; (ii) a Transaction Document, (iii) the annexes and/or schedules to these Terms and Conditions; and (iv) any annexes and/or schedules to a Transaction Document.
- 35.12 The Parties warrant and acknowledge that the relationship between them is not in the nature of a partnership and that neither Party is in any manner entitled to make or enter into binding agreements of any nature on behalf of the other Party.
- 35.13 Except as provided in clause 16, these Terms and Conditions are entered into solely between, and may be enforced only by, Mineworkers Provident Fund and the Supplier; and these Terms and Conditions shall not be deemed to create any rights in third parties, including the Suppliers and clients of a Party, or to create any obligations of a Party to any such third parties.
- 35.14 Any provision of these Terms and Conditions, which contemplates performance or observance subsequent to any termination or expiration of the applicable Contract Documents, shall survive any termination or expiration of the applicable Contract Documents and continue in full force and effect.
- 35.15 Each Party agrees that, in its respective dealings with the other Party under or in connection with these Terms and Conditions, it shall act in good faith.
- 35.16 Each Party shall bear and pay its own costs of or incidental to the drafting, preparation and execution of these Terms and Conditions.

Should Mineworkers Provident Fund become aware of any such act or omission, it shall as soon as practicable, notify the Supplier, by written notice, of such occurrence.
- 36.4 The Supplier shall, on the written order of Mineworkers Provident Fund, suspend the progress or alter the request for Services or any part thereof for such time or times and in such manner as Mineworkers Provident Fund may consider necessary and shall during such suspension or alteration properly protect and secure the Services so far as is necessary in the opinion of Mineworkers Provident Fund. The extra cost (if any) in giving effect to Mineworkers Provident Fund's instructions under this clause shall be borne and paid by Mineworkers Provident Fund unless such suspension or alteration is:-
 - 36.4.1 otherwise provided for in the Service Order, provided that the Supplier shall be entitled to recover any such extra cost unless having given notice in writing to Mineworkers Provident Fund of its intention to claim within seven days of Mineworkers Provident Fund's order or instruction.
 - 36.4.2 If the progress of the Services or any part thereof is suspended on the written order of Mineworkers Provident Fund for more than ninety days, the Supplier may serve a written notice on Mineworkers Provident Fund requiring permission, within 28 (twenty eight) days from receipt thereof, to proceed with the provision of Services or that part thereof in regard to which progress is suspended.
- 36.5 The Service Order shall be subject to changes by additions, deletions or revisions thereto by Mineworkers Provident Fund. The Supplier will be advised of such changes by receipt of additional and / or revised project plan and / or functional and technical specifications or written change requests.

Where the Supplier provides a Service to Mineworkers Provident Fund relating to support or maintenance of any item in terms of these Terms and Conditions, the following terms shall, unless otherwise agreed in a Service Order, apply to such Services:

- 38.1 The Supplier undertakes that in providing such Services it shall use its best endeavours to ensure that the supported/maintained items function error-free; and to maintain the supported/maintained items in such a manner as to ensure the supported/maintained items' continued compliance with their specifications.
- 38.2 Mineworkers Provident Fund shall be responsible for requesting the assistance of the Supplier with regard to any faults or failures in the supported/maintained items.
- 38.3 The manner in which the Supplier shall provide the support Services shall be specified in the Service Order relating to such Services.
- 38.4 Service Order relating to support Services shall record the hours of Service, the method for determining the severity of problems to be resolved, the escalation procedures applicable to such supported/maintained items and any service levels applicable to the performance of the support Services.
- 38.5 In the performance of Services, the Supplier shall on an ongoing basis and in a sustained manner apply its best endeavours to provide future avoidance advice. In addition, the Supplier shall identify the nature and cause of the problem and advise Mineworkers Provident Fund of the same and irrespective of the source of the problem, recommend appropriate methods for resolving the same and provide Mineworkers Provident Fund with future avoidance advice as well as undertaking any necessary preventative measures to minimise recurrence of the problem.
- 38.6 The Supplier shall, at its expense, supply all items necessary or required for the provision of the Services, provided that should the Services be provided at Mineworkers Provident Fund's premises, such as supplies of electricity, network and telephone connectivity reasonably required by the Supplier to provide such Services, such Services will be made available to the Supplier

in accordance with Mineworkers Provident Fund's generally accepted procedures and at Mineworkers Provident Fund's expense.

- 38.7 Should any supported/maintained items be removed by the Supplier to be repaired at the Supplier's premises, the risk in such supported/maintained items shall vest in The Supplier as from the time of removal thereof from Mineworkers Provident Fund's premises until their return by The Supplier to Mineworkers Provident Fund's premises.

The Supplier shall ensure that the Services (including all workmanship) and all products, materials, documentation, tools and equipment used or required for the rendering of the Services, comply with relevant ISO Quality Assurance and Certification Requirements, where applicable.

41 SERVICE LEVELS

- 41.1 Notwithstanding the fact that a Service Order may not contain any service levels, the Supplier is required to perform the Services with promptness, diligence and courtesy and the Supplier shall at all times execute the Services in a professional manner and in accordance with the practices and professional standards used in well-managed operations performing services similar to the Services.
- 41.2 A Service Order may set forth the quantitative service levels by which the Supplier's performance of the Services are to be measured.
- 41.3 The Supplier recognises that its failure to meet an agreed service level may have a material adverse impact on the business and operations of Mineworkers Provident Fund and that the damage from the Supplier's failure to meet any service level is not susceptible to precise determination. Accordingly, in the event that the Supplier fails to meet a service level, then in addition to any non-monetary remedies available to Mineworkers Provident Fund, the Service Order may permit Mineworkers Provident Fund to elect in lieu of pursuing other monetary remedies to recover as its sole and exclusive monetary remedy for such failure to meet a service level a penalty determined by reference to that Service Order as liquidated damages.
- 41.4 In the event Mineworkers Provident Fund is entitled to a penalty under a Service Order, the amount of such penalty shall be set forth as a deduction on the Supplier's invoice for the month following the month in which the service level failure occurred. If Mineworkers Provident Fund elects to impose a penalty, Mineworkers Provident Fund's payment of the Supplier's invoice shall be net of such penalty.

- 41.5 If the Supplier fails to meet any service level, the Supplier shall (i) investigate and report on the root causes of the problem; (ii) promptly correct the problem and begin meeting the service levels; (iii) advise Mineworkers Provident Fund, as and to the extent requested by Mineworkers Provident Fund, of the status of remedial efforts being undertaken with respect to such problems; and (iv) take appropriate preventive measures so that the problem does not recur.

Section C. Supply of Goods

42 SUPPLY

- 42.1 Prior to supplying any Goods or Works in terms of these Terms and Conditions, the Supplier shall furnish Mineworkers Provident Fund with a detailed written quotation upon which shall be stated an all inclusive price for such Goods or Work and where applicable, the technical specifications and/or plans of the Goods or Works and the details as to the date until which such quotation shall be open for acceptance by Mineworkers Provident Fund. Save as provided herein, no other terms and conditions stated upon such quotation shall be binding upon either Party. For the avoidance of doubt, the total price stated upon the written quotation shall be exclusive of value added taxation, but inclusive of all time and materials costs, all fixed price costs, all third party time and materials costs, any additional taxation items, any import/export duties and any currency risk. Where a written quotation does not state a date of expiry, it shall be open for acceptance by Mineworkers Provident Fund for a period of 90 (ninety) days following its receipt by Mineworkers Provident Fund.
- 42.2 Notwithstanding acceptance of a written quotation, the delivery and/or installation of any Goods or Works, or any other act or omission on the part of Mineworkers Provident Fund relating to the Goods or Works which form the subject matter of any quotation, neither Party shall acquire any rights or obligations, other than as specified in sub-clause 42.1, unless and until both Parties have concluded a Purchase Order for the supply of such Goods in accordance with these Terms and Conditions.

43 PROCUREMENT

- 43.1 The Parties may from time to time agree approved supply lists, including where appropriate, technical specifications and plans, functional specifications and pricing. Such approved supply list shall constitute a Contract Document.
- 43.2 Unless otherwise agreed, Mineworkers Provident Fund shall be liable to the Supplier for the payment of the costs of any Goods procured, provided that the cost of such items shall be as per the approved supply list.

44 HARDWARE LEASING

Unless otherwise agreed in a Purchase Order, where the Supplier leases Goods to Mineworkers Provident Fund, the following provisions shall apply:

- 44.1 Any Goods leased to Mineworkers Provident Fund by the Supplier shall be listed in a schedule to be annexed to the Purchase Order in terms of which such Goods are leased. Such

schedule shall contain the following information regarding each and every item of such Goods: (i) an appropriate description of the Goods, preferably including an asset identification number; (ii) the monthly rental payable in respect of that item of Goods, (iii) the useful life of that item of Goods expressed in months and measured from the 1st (first) day of the month immediately following the month in which such Goods are accepted by Mineworkers Provident Fund. Each item of Goods listed in such schedule shall be leased independently and upon the terms and conditions set forth in sub- clause 44.2 for a period being the useful life therefor as stated in such schedule, and for the rental specified in such schedule.

44.2 Any lease contemplated in sub-clause 44.1 shall be subject to the following terms and conditions: Mineworkers Provident Fund shall: (i) at all times keep the Goods under its control and shall take reasonable care in the use of the Goods and shall protect the same from loss and damage;

(i) only use the Goods for the purpose for which it was intended; (iii) ensure that any Services performed in respect of such Goods are in compliance with the reasonable specifications for such Goods as provided by the Supplier and/or the original equipment manufacturer thereof;

(iv) at its own expense take reasonable steps to keep the Goods free from attachment, hypothec or other legal charge or process and shall not without the prior written consent of the Supplier sell, let, loan, pledge, transfer or otherwise encumber the Goods in any way or permit any lien to arise in respect of the Goods; (v) not do anything which may cause damage to the Goods; (vi) take reasonable steps to ensure that all restrictions on the use of the Goods that are imposed by any law are observed by Mineworkers Provident Fund and its Staff; and (vii) not modify the Goods otherwise than in accordance with the provisions of these Terms and Conditions.

44.3 Any item listed in a schedule shall be subject to a lease as referred to in sub-clause 44.1 while it remains so listed. When the useful life of the item has ended, the lease shall be deemed expired with effect from the last day of the month in which such useful life ends. Any such lease may only be terminated by agreement of the Parties, by expiration or by Mineworkers Provident Fund where Mineworkers Provident Fund in its sole discretion determines any Goods leased by it from the Supplier to be irremediably defective and as a result thereof cancels its lease of such Goods. The Supplier shall immediately update the schedule in order to give effect to any termination, expiration or cancellation of any lease in respect of any Goods listed in the schedule. Should these Terms and Conditions be terminated then all leases of Goods in terms of these Terms and Conditions shall terminate as of the Effective Date of any termination of these Terms and Conditions. Where a Purchase Order is terminated, then all leases of Goods pursuant to the terminated Purchase Order shall terminate as of the Effective Date of any termination of such Purchase Order. Upon the termination, expiration or cancellation of any Goods lease the Supplier shall as soon as reasonably possible remove all Goods subject to such termination, expiration or cancellation from Mineworkers Provident Fund's premises and thereafter neither Party shall have any liability whatsoever under such lease.

45 LICENSING SERVICES

45.1 Where the Supplier licences Mineworkers Provident Fund to use any Goods, such licence shall, unless otherwise agreed in writing and recorded in the Purchase Order, be granted on the basis that Mineworkers Provident Fund shall receive a non-exclusive, non-transferable licence to use and deploy the Goods, within its own business environment.

45.2 Mineworkers Provident Fund shall be entitled to make and maintain back-up copies of Goods which are in the nature of software for operational security purposes and may make such number of copies of part or all of the software as are strictly necessary for such purposes. Back-up copies may be used whenever the software is rendered unusable or inoperable, provided

that the Supplier shall be notified of such event without delay.

46 PRESERVATION OF INDUSTRIAL/INTELLECTUAL PROPERTY RIGHTS

- 46.1 Mineworkers Provident Fund shall not de-compile, reverse engineer, reverse compile or disassemble any Goods provided to it by the Supplier
- 46.2 Mineworkers Provident Fund shall not attempt to modify, enhance or alter Goods or any part thereof, or permit others to do so.
- 46.3 Goods and the Industrial and Intellectual Property rights therein shall be and remain the property of the Supplier or its third party licensor.

47 RISK AND OWNERSHIP IN GOODS

- 47.1 The risk in Goods or Works to be provided in terms of a Purchase Order shall remain with the Supplier until delivery of such Goods or Works has been effected and the Goods or Works have been received by Mineworkers Provident Fund or its agent specified in the Purchase Order at the point of delivery stated in such Purchase Order.
- 47.2 The title to the Goods or Works, free of all liens or encumbrances, shall pass to Mineworkers Provident Fund at the earlier of:
 - 47.2.1 Delivery of the Goods or Works to Mineworkers Provident Fund or its agent specified in the applicable Purchase Order, or
 - 47.2.2 Payment or part payment therefor.
- 47.3 Delivery of Goods or Works to Mineworkers Provident Fund shall be as evidenced in such manner as may be agreed by the Parties in a Purchase Order and in the absence of such agreement, as evidenced by the Mineworkers Provident Fund signature to the Supplier's delivery note. This clause 47 shall not be construed as limiting any of Mineworkers Provident Fund's rights in terms of clause 10, and the Supplier shall bear all liability for any latent or patent defect identified during acceptance testing by Mineworkers Provident Fund.

48 RETURN OF DEFECTIVE DELIVERABLES:

The Supplier shall bear any extra costs reasonably incurred due to any alterations in or additions to the works necessitated by virtue of such discrepancies, errors or omissions.
- 51.9 If the Supplier shall fail or neglect to complete the Works and all extra or additional Works which Mineworkers Provident Fund and the Supplier may have agreed upon, on or before the prescribed date or any extension thereof to which the Supplier may be entitled under a Purchase Order, it shall pay to Mineworkers Provident Fund by way of penalty, a sum of money equal to 1% of the Purchase Order price for each week or part thereof which shall elapse between the prescribed date and the date on which the Works, and all extra or additional Works, if any, are completed so as to be safely usable for the operation for which it has been designed, provided that such penalty shall in no case exceed 5% of the Purchase Order price and that notwithstanding anything to the contrary herein contained, Mineworkers Provident Fund shall have the right to claim damages in lieu of such penalty.

51.13 The Supplier shall, on the written order of Mineworkers Provident Fund, suspend the progress or alter the order of the Works or any part thereof for such time or times and in such manner as Mineworkers Provident Fund may consider necessary and shall during such suspension or alteration properly protect and secure the Works so far as is necessary in the opinion of Mineworkers Provident Fund. 51.15 The Supplier shall submit to Mineworkers Provident Fund within 10 (ten) days after receipt of notice of a change, a detailed take-off with supporting calculations and pricing for the change together with any additional time required for the provision of Works as changed. Pricing shall be in accordance with the pricing structure of the Purchase Order and shall clearly define increase, decrease or no change in compensation under that Purchase Order.

51.16 The Supplier shall not perform changes in the Works until Mineworkers Provident Fund has approved in writing the pricing for the change and any adjustment in the time for the provision of the Works, or has expressly authorised the Supplier in writing to perform the change prior to such approval by Mineworkers Provident Fund. Upon receiving such written approval of Mineworkers Provident Fund or such written authorisation to perform from Mineworkers Provident Fund, the Supplier shall diligently perform the change in strict accordance with and subject to all of the terms of the Purchase Order. If the Supplier believes that such performance of the change, prior to having received Mineworkers Provident Fund's written approval of pricing and time adjustment, justifies modification of the Purchase Order price or time for provision of the Works, the Supplier shall comply with the claims procedure set forth hereinafter. The Supplier shall not suspend performance of a Purchase Order during the review and negotiations of any change, except as may be directed by Mineworkers Provident Fund.

51.17 During the course of providing the Works, Mineworkers Provident Fund's authorised representative may orally advise the Supplier of changes in the Works. Any costs incurred by the Supplier to perform oral changes in the Works received from Mineworkers Provident Fund shall be for the Supplier's account, and the Supplier waives any and all rights to claim from Mineworkers Provident Fund such costs or additional time to provide the Works as a result of compliance by the Supplier with such oral changes.

51.18 The Supplier shall give Mineworkers Provident Fund written notice within 7 (seven) days after the happening of any event which the Supplier believes may give reason to a claim by the Supplier for an increase in the Purchase Order price or in the scheduled time for performance. Within 14 (fourteen) days after the happening of such event, the Supplier shall supply Mineworkers Provident Fund with a statement supporting the Supplier's claim, which statement shall include the Supplier's detailed estimate of the change in Purchase Order Price and scheduled time occasioned thereby. Mineworkers Provident Fund shall not be liable for, and the Supplier hereby waives, any claim or potential claim of the Supplier of which the Supplier knew or should have known and which was not reported by the Supplier in accordance with the provision of this clause. The Supplier agrees to continue provision of the Works during the time any claim of the Supplier hereunder is pending. Mineworkers Provident Fund shall not be bound to any adjustments in the Purchase Order price or scheduled time for the Supplier's claim unless expressly agreed to by Mineworkers Provident Fund in writing.
